## TRASH COLLECTION & RECYCLING REFRESHER

Trash Collection & Recycling Services are provided by a contract with Republic Services/Allied Waste. Residential **trash** and **recycling** pick-up is once a week on Wednesdays. Please have all **blue trash carts** and **green recycling carts** out by 7:00 am as routes may vary week to week. A reminder that all trash in the trash carts must be in bags.

Items that should not be placed in the **recycle** cart include Styrofoam items, chip bags, frozen food bags, plastic or metal hangers, plastic flower pots or toys, food and wet waste, food contaminated paper or napkins, batteries and electronics, light bulbs, drinking glasses and other glassware and of course not hazardous waste materials. For a complete graphic list of items that can and cannot be recycled go online to <http://www.haslet.org/DocumentCenter/View/59> or come by City Hall to pick one up.

As an incentive to **recycle**, Republic Services/Allied Waste offers residents a way to earn rewards for recycling through the Recyclebank program. Recyclebank partners with communities and waste haulers around the country to reward residents for recycling. They work with communities to find out how much recyclable material was collected. The collective weight is then converted to Recyclebank points and shared amongst all of the residents in the community that recycled. So, the more everyone recycles, the more points you earn! To participate in the program and start earning points you must register at [www.Recyclebank.com](http://www.Recyclebank.com). Questions can be directed to Utility Billing at 817-439-5931 ext. 101.

### CITY COUNCIL:

Mayor Bob Golden  
Mayor Pro Tem Warren Robb  
Council Member Kathy Hopper  
Council Member Patricia Hilborn  
Council Member Harold Williams  
Council Member Mitch Hill

### How to Beat the Heat This Summer

While Texas summers bring great things like baseball, vacations and family memories, they also bring rising temperatures that can sometimes seem unbearable. If you find yourself needing a break from the heat, here's a list of eight ways to cool off.

1. **Go for a Swim** - Luckily for us Texans, we have so many places to swim. Choose from a local pool, waterparks or natural swimming holes, lakes and rivers to go for a refreshing swim.
2. **Catch a Flick** - A good way to skip the heat is to go to the movies! It's entertainment complete with snacks and air conditioning.
3. **Wash Your Car** - Skip the carwash and wash your wheels yourself as a way to cool down. It feels great and it keeps your ride looking great!
4. **Treat Yourself** - Take the family out for ice cream, or keep the house stocked with popsicles for a quick and tasty relief from the heat.
5. **Grab a Glass of Tea** - Though most true Texans drink tea year round, a fresh glass of iced tea can save you from a sweltering summer.
6. **Eat Cool Food** - One of the best ways to keep your house cool is to avoid using the oven and the stove. Try making sandwiches or eating foods that don't have to be heated to preserve your A/C.
7. **Switch Your Workout Times** - If you usually work out in the afternoon or the early evening, try working out in the morning. It's cooler and gives you more time to relax at night.
8. **Stay Hydrated** - When you're sweating more, you're losing more fluids than usual. Make sure you're drinking an adequate amount of water to stay ahead of dehydration.

## JULY 14TH MOVIE IN THE PARK

In-N-Out Burger®  
Cookout Trailer will be serving complimentary food to the first 350 Visitors beginning beginning at 8:00 p.m.
